MESSAGE FROM THE CHAIR OF THE BOARD OF GOVERNORS

I am pleased to present to you our 2016-2017 Annual Report.

It was a transition year marked by the selection of a new president, the nomination of a new senior management team, and budgetary pressures within the college system. Together, we pursued our path committed to offering personalized education and quality services across Ontario.

In July 2016, the Board of Governors announced the nomination of Mr. Daniel Giroux as Collège Boréal’s 5th president. With close to 20 years of experience holding various high-level positions at Boréal, Mr. Giroux assumed his responsibilities as of September 1, 2016. His vast experience in the field of post-secondary education combined with his expertise in budgetary and financial management as well as his ability to inspire people to share a common vision made Mr. Giroux the ideal candidate to lead Collège Boréal towards the realization of its strategic objectives.

Again this year, Collège Boréal recorded exceptional results in regard to the 2016-2017 Key Performance Indicators. For the 13th time in 16 years, Collège Boréal received the highest graduate satisfaction rate in the province. For the 16th time in 17 years, it reported the highest graduation rate. And, for a second consecutive year, Boréal held the top-ranking position in student satisfaction! Moreover, with 96%, Boréal ranked 3rd out of all 24 colleges in employer satisfaction! These results testify to the ongoing commitment of the entire Boréal team and I would like to take this opportunity to thank our teaching personnel, our support staff, our administrative team, and the members of the Board of Governors who contribute to the success of the college.

The 2016-2017 Annual Report aims to summarize the activities carried out over the past twelve months. Upon reading it, you will see how our students’ success as well as the sustainable development of Ontario’s francophone community remain our top priorities.
MESSAGE FROM THE PRESIDENT

It is truly a pleasure for me to present to you my first Annual Report as Collège Boréal President! I am honoured and thrilled to have been chosen to take on this important role and I would like to thank the members of the Board of Governors for their trust and confidence.

As stated by Mr. Plante, the 2016-2017 academic year was marked by numerous changes. When I took over the position, I conducted consultations across Ontario. As part of these sessions, I had the opportunity to meet with the majority of staff and numerous community partners. The experience allowed me to gain a better understanding of the needs of others in regard to our institution and confirmed that it was time to review and adjust our course and our practices.

In January, the college revealed its new senior management team who would support the Board of Governors in reaching its strategic objectives. Their first priority was to evaluate the effectiveness of each department and conduct a budgetary review. Thanks to their efforts, a balanced budget was presented to and approved by the Board of Governors.

We also announced the delivery of new programs to better reflect the state of the economy as well as current and future labour market trends. The complete list of extended offers and new programs can be found on page 7. In addition, we remain in pursuit of a new location for Collège Boréal’s Toronto campus.

Together, we are committed to moving forward as one united college. I have said it before and I will say it again: the college’s best resource is its dynamic and passionate staff. I would like to take this opportunity to thank the entire team. You work tirelessly to meet the needs of our students, surpass the expectations of our community partners, and contribute to the success of communities in the North, East, and Central-South-West of the province. I would like to express my deep appreciation and pride. One thing is certain, together, we will go further!
THE YEAR IN RETROSPECT

Changes to Collège Boréal’s Board of Governors. On October 1, 2016, at its first regular meeting for the 2016-2017 year, Collège Boréal’s Board of Governors reelected Mr. Stéphan Plante as Chair and Mr. André Dutrisac as Vice-Chair. The Board of Governors also thanked three members who completed their term: Mrs. Julie Olivier, Mrs. Roxanne Ranger, and Mr. Adam Martelli. In addition, the Board welcomed three new members: Mrs. Alice Norquay, Mrs. Josée St-Jean, and Mr. Vincent Lacroix.

Nomination of Collège Boréal’s 5th President. On July 21, 2016, Collège Boréal’s Board of Governors proceeded with the nomination of the institution’s new President. Mr. Daniel Giroux become the college’s 5th President, following in the footsteps of Jean Watters, Gisèle Chrétien, Denis Hubert-Dutrisac, and Pierre Riopel. Mr. Giroux holds a Master’s degree in Business Administration and an Honours Bachelor of Commerce degree from Laurentian University. He is also a chartered professional accountant and was invited to be a leadership coach as part of Colleges and Institutes Canada’s Leadership Institute for Future Deans, Directors and Campus Principals in 2015 and 2016. Winner of a Sudbury 40 Under Forty Award, Mr. Giroux was recognized as one of Greater Sudbury’s movers and shakers (Sudbury Living Magazine, April 2016).

With close to 20 years of experience holding various high-level positions at Collège Boréal, including the roles of Vice-President of Workforce and Business Development, Vice-President of Academic Affairs, and Dean of the School of Trades and Applied Technology.

The Chair of the Board of Governors noted Mr. Giroux’s vast experience in the field of post-secondary education, his expertise in budgetary and financial management, his ability to inspire people to share a common vision and purpose as well as his ties with various leaders of industry, business and economic development representatives, as well as government officials.

Mr. Giroux assumed his new responsibilities on September 1, 2016.

New Senior Management Team. On January 19, 2017, Daniel Giroux, announced the appointment of the college’s new senior management team who would support the Board of Governors in reaching its strategic objectives.

As part of its strategic vision, Collège Boréal adopted a new organizational structure last November. The senior management team plays a significant role in the governance of the college and, as such, contributes to the continued growth of the francophone community across Ontario. The new senior management team is comprised of the following seven (7) members (from left to right):

- Mr. Daniel Giroux
  President
- Mrs. Danielle Talbot-Lariviere
  First Vice-President – Corporate Services
- Mrs. Lise Béland
  Vice-President – Central Southwestern Ontario
- Mrs. Lyne Michaud
  Vice-President – Academic Affairs
- Mr. Brian Vaillancourt
  Vice-President – Business Development
- Mr. Marc Despatie
  Director – Communications, Strategic Planning, and Government Relations
- Mrs. Pauline Byrnes
  Coordinator of the President’s Office
Collège Boréal is still #1 in Ontario!
In April 2017, Colleges Ontario released the 2016-2017 Key Performance Indicators (KPI). For the 13th time in 16 years, Collège Boréal received the highest graduate satisfaction rate in the province. For the 16th time in 17 years, Collège Boréal reported the highest graduation rate in Ontario. And, for a second consecutive year, Boréal held the top-ranking position in student satisfaction! Moreover, with 96%, Boréal ranks 3rd out of all 24 colleges in employer satisfaction!
Since 1998, colleges have been mandated by the Ontario government to collect and report performance data in the following areas: graduate satisfaction, student satisfaction, employer satisfaction, employment rate, and graduation rate.
A summary of the results can be found in Appendix C (p. 21).
In January 2015, Collège Boréal’s Board of Governors shared its 2015-2020 Strategic Plan. The college’s annual report summarizes the institution’s efforts in achieving its strategic objectives.

### ACCESS:
Improve access to quality programs and services adapted to clients’ needs.
1. Increase program offerings: postsecondary (including apprenticeship), continuing education, employment services, immigration services.
2. Diversify delivery models.
3. Develop a strategic watch mechanism to anticipate labour market trends.

### FLEXIBILITY:
Increase transferability for students and improve collaboration between services.
1. Develop tools that facilitate transferability by increasing the number of articulation agreements, recognized equivalencies and other models.
2. Increase communications in order to improve inter-service effectiveness and efficiency.

### QUALITY:
Ensure the quality of programmes and services in order to innovate and adapt to constantly evolving realities.
1. Develop and implement a human resources strategy for the recruitment, retention and development of staff.
2. Improve the performance appraisal system for all employees.
3. Review and analyse the College’s services to ensure the establishment of a continuous improvement process.
4. Continue to analyse programs in order to achieve an optimal level of quality.

### VISIBILITY:
Increase Collège Boréal’s visibility among future clienteles, potential employers, and communities.
1. Increase the number of active members in the Alumni Association.
2. Increase opportunities for visibility and participation in community activities.
3. Improve the College’s marketing initiatives in Canada and abroad.
4. Increase the number of partnerships with employers, organizations and community groups.
Employment Services. With offices located from Kapuskasing to Windsor, EMPLOYMENT OPTIONS offers a wide variety of services to respond to the employment needs of individuals and the skilled labour needs of employers. They also serve as a gateway to training and immigration services.

2016-2017 Statistics:
- 4,477 clients benefited from employment services;
- 6,180 people participated in employment workshops;
- 22,207 people visited one of 16 access centres;
- 887 youth benefited from the Youth Job Connection (YJC) and 65 youth received support funds;
- $1,063,076 were awarded to employers in wage subsidies;
- Summer (Student) Employment Services: 960 student placements; 1,200 students participated in various workshops;
- $564,527 were awarded to employers who hired students;
- Youth Employment Fund: $272,546 were awarded in wage or training subsidies;
- $1,156,370 were awarded to employers in hiring incentives as part of the Canada-Ontario Job Grant;
- $469,207 were awarded to employers as part of the Youth Job Connection (YJC);
- $100,000 were awarded to employers as part of Youth Job Connection Summer program.

AZ Trucking Program Now Offered in Elliot Lake. In response to local demand, Collège Boréal announced in June 2016 the delivery of the AZ Truck Driver training program in Elliot Lake. This training is possible thanks to a partnership between Collège Boréal and Employment Options.

Exploring the Motive Power Industry in Sudbury and Timmins. On July 16, 2016, Collège Boréal announced the delivery of the Motive Power Trades pre-apprenticeship program at its Sudbury and Timmins campuses. The 29-week program allows participants to complete introductory courses before making a career choice in the motive power industry.

Launch of Sexual Violence Awareness Campaign. Last September, Collège Boréal launched a Sexual Violence Awareness Campaign for the students and staff in all its campuses and sites following the Government of Ontario’s launch of the Action plan to stop sexual violence and harassment in March 2015 and Bill 132, Sexual Violence and Harassment Action Plan Act (Supporting Survivors and Challenging Sexual Violence and Harassment). The campaign entitled “Draw the Line” was launched in collaboration with the Centre Victoria pour femmes. Draw the Line is a provincial campaign managed by the Ontario Coalition of Rape Crisis Centres (OCRCC) and Action ontarienne contre la violence faite aux femmes (AOCVF). Collège Boréal has chosen this campaign to help raise awareness amongst its broader community. In addition, Collège Boréal adopted a Sexual Assault and Sexual Violence Policy and developed a protocol in order to provide everyone involved in an incident of sexual violence with the resources they may need.

Interprofessional Education Workshop. On January 24, 2017, Collège Boréal’s School of Health Sciences hosted its seventh consecutive Interprofessional Education (IPE) Workshop at its Sudbury campus. Bringing together approximately 175 students enrolled in health care programs at Collège Boréal and the Northern Ontario School of Medicine (NOSM), the annual workshop aims to encourage the effective collaboration of future health-care workers in order to improve the quality of services offered. Participants had the opportunity to discuss complex clinical cases, gain a better understanding of the roles and responsibilities of other health care professionals, and develop strategies to promote the overall functioning of health care teams.

Mining Essentials Program in Timmins. On January 31, 2017, the Conseil scolaire catholique de district des Grandes Rivières, in partnership with Collège Boréal, Destination réussite – volet 1, Élargir l’espace francophone, Métis Nation of Ontario and the Canadian and Provincial governments, launched a pilot program “Destination - Mines” for students at École secondaire catholique Thériault who wish to pursue a career in the mining industry.

Seventh Annual Mining Day Focuses on Innovation. On Wednesday, February 8, 2017, approximately 200 college and university students gathered as part of the seventh annual Mining Day. This year’s theme was mining industry innovation. The annual event jointly planned by Cambrian College, Collège Boréal, Laurentian University, and Stantec, allows students to explore mining industry trends through presentations, panel discussions, and networking opportunities.
It Pays to Study North! In February 2017, fifteen first-year students from Collège Boréal received an entrance incentive rebate valued at $1,000 from Study North. Launched in 2014, the Study North initiative aims to do just that by encouraging students from Southern and Eastern Ontario to pursue their post-secondary education at one of six partner colleges located in Northern Ontario.

Speed Mentoring® in French.
In 2016, Collège Boréal and ACCES Employment launched a new initiative to help French-speaking immigrants find work. These events aim to connect Francophone job seekers with mentors and employers in a relaxed and bilingual atmosphere. Participants get advice relating to resumes, the interview process, and job search strategies.

Career Focus. The Career Focus program aims to facilitate the transition of highly-skilled young people to a rapidly changing labour market. As part of an agreement with Services Canada, employers in Greater Sudbury and Timmins received funding allowing young people (29 years and younger) to make more informed career decisions, develop their skills, and gain work experience. Collège Boréal reached its goal of financing 20 participants living in one of these communities.

FLEXIBILITY

Increase transferability for students and improve collaboration between services.
1. Develop tools to facilitate transferability by increasing the number of articulation agreements, recognized equivalencies, and other methods.
2. Increase communication in order to improve inter-service effectiveness and efficiency.

Joint Open-House in Timmins.
Collège Boréal and the Université de Hearst hosted an open-house in Timmins on Saturday, November 19, 2016. The event entitled “Your future is happening right here… right NOW!” allowed both institutions to highlight French post-secondary programs offered in Timmins as well as numerous local professional opportunities.

Tabling of Institutional strategy on francophone and bilingual transfer pathways. In 2016, the Ontario Council on Articulation and Transfer (ONCAT) developed a policy framework to support post-secondary institutions offering programs in French in Ontario. This framework, which establishes a strategic framework for ONCAT decision-making and supports service delivery to post-secondary institutions that offer programs in French or bilingual programs, also requires engagement on the part of institutions. Thus, in keeping with this policy framework and thanks to financial support from ONCAT to assist with evaluating various opportunities for transfer pathways, that Collège Boréal developed its own institutional strategy. This strategy will be further developed in the next year with the addition of opportunities with other provincial, national and international partners.

New Web Page Promoting Articulation Agreements. On March 2, 2017, Collège Boréal updated its web page promoting articulation agreements. These agreements allow students to pursue their education and reach their professional goals in a shorter time frame.

A College and University Diploma in Four Years: It’s Possible! Collège Boréal, the Université Saint-Paul and La Cité collégiale signed a new framework agreement formalizing the systematic granting of university credits to college graduates. Thanks to this new agreement, which affects four Saint Paul University programs (B.A. in Social Communication, B.A. in Conflict Studies, B.A. in Public Ethics, and B.A. in Human Relations and Spirituality), graduates of La Cité and Collège Boréal can take advantage of 32 new agreements leading to university studies. Furthermore, 4 existing agreements will be enriched. In this way, college and university students now have access to a wide array of additional options to complete earn a college diploma and a B.A. in four years.

Ensure the quality of programs and services in order to innovate and adapt to constantly evolving realities.

1. Develop and implement a human resources strategy for the recruitment, retention, and development of staff.
2. Improve the performance appraisal system for all employees.
3. Review and analyze the College’s services to ensure the establishment of a continuous improvement process.
4. Continue to analyze programs in order to achieve an optimal level of quality.

Excellence Awards 2015-2016. Each year, Collège Boréál recognizes the contributions of four employees for their outstanding commitment to students and the institution as a whole. Congratulations to the following four employees:

- Support Staff: Helen Lamontagne, Employment Services Officer, Sudbury
- Faculty: Gisèle Mayer-Burton, Professor and Program Coordinator, Sudbury
- Temporary Staff: Nathalie Bedros, Part-Time Professor, Toronto
- Management Staff: Josée Campeau-Rousselle, Manager of Communications and Media Relations, Sudbury

Community Awards. Congratulations to the following people:

- Ordre de la Pléiade – Lorraine Hamilton, Project Manager – Immigration Programs and Services
- Prix de la francophonie de l’ACFO du grand Sudbury – Gisèle Chrétien, Collège Boréal’s 2nd President
- Collective Excellence – individual COOP Council of Ontario – Lyne Mallette, COOP Boréal Director

Northern Leadership Program. The program aims to develop the leadership skills and abilities of participants, boost their professional development, and widen their professional network. Since 2014, eight employees have completed the program, including the 2016-2017 graduates: Paulette Bonin, Manager of the School of Health Sciences, and Josée Campeau-Rousselle, Manager of Communications and Media Relations.

Accreditation Renewal. On August 30, 2016, Collège Boréál announced a 6-year accreditation status renewal of its Medical Imaging Technology – Radiology program by the Canadian Medical Association (CMA). Health programs receive CMA accreditation only when they meet national standards. This ensures that students acquire the necessary knowledge, skills, and attitudes to function as competent health practitioners. The CMA accords 6-year accreditation status to programs that comply with all five requirements.

Impressive Results! In August 2016, 100% of Collège Boréál Paramedic graduates passed the Emergency Medical Care Assistant (EMCA) provincial exam.

Funding Announcement for Infrastructure Projects. In September 2016, the federal and provincial governments announced that Collège Boréál would receive a funding envelope for major infrastructure projects to modernize existing facilities and enhance the institution’s capacity for research and innovation. The funds will be used to develop two distinct projects, one in Sudbury and the other in Windsor.

Newly renovated Pub at Boréál’s Sudbury Campus. In September 2016, Collège Boréál unveiled a new pub at its Sudbury campus thanks to a collaboration between the Association générale des étudiantes et des étudiants (student association), the Collège Boréal COOP and the college itself. The pub is a gathering place where students party, study, and relax between classes. The college’s Music Club also meets regularly in this space to share their musical talents.

Ontario Centre for Workforce Innovation (OCWI). In February 2016, under the leadership of Ryerson University, a consortium of partners announced a new centre for innovation in human resources. In September 2016, the Carrefour régional du Nord-Est – a French-language centre managed by Collège Boréal – opened its doors at 1560 Lasalle Boulevard in Sudbury. OCWI’s objective is to help make Ontario’s workforce qualified, resilient and productive. Using a regional approach, OCWI promotes collaboration among employers, community organizations, employment services providers and training providers. With a greater understanding of local trends and priorities, OCWI can better respond to the needs of the communities which it serves.
VISIBILITY – Increase Collège Boréal’s visibility among future clienteles, potential employers, and communities.

1. Increase the number of active members in the Alumni Association.
2. Increase opportunities for visibility and participation for community activities.
3. Improve the College’s marketing initiatives in Canada and abroad.
4. Increase the number of partnerships with employers, organizations, and community groups.

2016 Anticipation Camps. On May 11 and 12, 2016, 285 secondary school students attended workshops during an Anticipation Camp held at our Sudbury Campus. The students were from five school boards located in Northern Ontario (22 schools), two school boards from Central and Southwestern Ontario (four schools) and one school board from Eastern Ontario (one school).

IMPACT Boréal. On May 31, 2016, 89 grade 8 students from four schools participated in IMPACT Boréal in Windsor. On June 1, 2016, 700 grade 7 and 226 grade 8 students from four schools participated in IMPACT Boréal in Toronto.

Collège Boréal Confers over 800 Diplomas. From May 17 to June 3, 2016, Collège Boréal conferred over 800 diplomas. The following prizes and distinctions were also awarded during these ceremonies:

- Mr. Stéphane Paquette Receives Honorary Diploma. Collège Boréal conferred an honorary diploma upon Mr. Stéphane (Stef) Paquette in recognition of his artistic work. Born in Chelmsford, Ontario, Mr. Paquette is a renowned artist much appreciated by the Franco-Ontarian community, and especially youth. Over the years, he has had a remarkable career in a variety of artistic fields including music, theatre, television, and radio.

Launch of the Northern Philanthropy Institute. On August 2, 2016, Collège Boréal, Laurentian University and Cambrian College launched the Northern Philanthropy Institute, a partnership that will offer professional development opportunities to fundraising professionals in Northeastern Ontario. The Northern Philanthropy Institute is a new partnership undertaken through a collaboration agreement signed by the three institutions. The Memorandum of Understanding (MOU) aims to foster excellence in learning while strengthening Greater Sudbury’s reputation as a centre of higher education.

Paramedic Ride 2016. In September 2016, Collège Boréal’s ambulance and representatives from the College’s Sudbury campus participated in the national Paramedic Ride.

Boréal’s Board of Governors Holds Annual Retreat in Timmins. Collège Boréal’s Board of Governors held its annual retreat at the institution’s Timmins campus on November 11, 12, and 13, 2016. Over three days, members of the Board of Governors and the Senior Management Team discussed several important issues, including access to French-language postsecondary education in Ontario, current enrolment, and marketing strategies, amongst others. As part of the retreat, participants took a guided tour of Goldcorp-Porcupine Gold Mines’ local gold producing camp, winner of Collège Boréal’s President’s Award in 2016.

2016 Premier’s Awards. Two Collège Boréal graduates were nominated for the 2016 Premier’s Awards. Marc Dionne, Ecotourism Development & Management (1998) graduate, as well as Kevin Roy, three-time graduate in the Police Foundations (2015), Fish and Wildlife Management Technologist (2010), and Forestry, Fish and Wildlife Technician (2009) programs, were among the 107 college graduates nominated last year. The Premier’s Awards recognize the significant contributions Ontario’s college graduates make to the success of the province and beyond. The awards are presented annually to six exceptional graduates in the following categories: Business, Community Services, Creative Arts and Design, Health Sciences, Recent Graduate, and Technology.
RCCFC Board of Governors Greeted in Windsor. On January 12, 2017, the Board of Governors of the Réseau des cégeps et des collèges francophones du Canada (RCCFC) held its 133rd meeting at Collège Boréal’s Windsor location. The RCCFC fosters earnest collaboration between French-language collegiate institutions in Canada through its support, promotion, and information-sharing network. It aims to develop French-language college education programs and services throughout Canada while encouraging the use of information and communication technologies.

Badminton Enthusiasts Flock to Collège Boréal in Sudbury. Collège Boréal welcomed approximately 100 athletes and coaches on February 3 and 4, 2017, as part of The Ontario Colleges Athletic Association (OCAA) East Regional Badminton Championship. Teams from the following six colleges competed: Collège Boréal (Sudbury), Centennial College (Scarborough), George Brown College (Toronto), Georgian College (Barrie), Seneca College (North York Toronto), and St. Lawrence College (Brockville).

Boréal Alumni Benefit from a Recent Partnership! As part of a press conference held on February 9, 2017, at Boréal’s Sudbury campus, Collège Boréal’s Alumni Association announced an important partnership with TD Insurance Meloche Monnex. Collège Boréal graduates and employees now have privileged access to the TD Insurance Meloche Monnex program and its preferred group rates on home and auto insurance. This partnership allows them to save more than $415 per year.

Boréal Hosts Intercultural Police Ride-Along Exchange Celebration. During an evening celebration at Collège Boréal’s restaurant, Au pied du rocher, held on February 7, 2017, international students, members of the Greater Sudbury Police Services (GSPS), and representatives of the YMCA newcomer program celebrated the successful completion of the 2016-2017 Intercultural Police Ride-Along Program. The Intercultural Police Ride-Along Program matches international students from Collège Boréal, Cambrian College, and Laurentian University with Greater Sudbury police officers to help them understand local laws and regulations. The initiative also aims to help change newcomers’ perception of law enforcement agents by showing them how welcoming Sudbury is.

Third Annual Entrepreneurship Contest. On February 24, 2017, Collège Boréal hosted its third annual entrepreneurship contest La prochaine innovation, c’est la mienne! (The Next Big Innovation is Mine). Each year, Boréal students are invited to pitch a business concept or prototype that may become the next big thing to a panel of local business partners and business development representatives. As part of the experience, students receive feedback that may help them transform their ideas into a reality. They also have the chance to win great prizes.

Showcase of Capstone Projects and Applied Research Initiatives. On March 1, 2017, at Collège Boréal’s Sudbury campus, the School of Trades and Applied Technology and the School of the Environment and Natural Resources held an evening presentation of capstone projects and applied research initiatives. Third-year students enrolled in the Electrical Engineering Technologist program, the Electronics Engineering Technologist program, the Mining and Civil Engineering Technologist program, as well as the Architectural Technologist program presented their capstone projects, the result of several months of work. Five exceptional projects were chosen for the evening presentation; each student received a $1000 scholarship. Congratulations to Shawn Asselin, Louis-Alexis Billard, Zachary Cloutier, Kelly Giguère and Kevin Pinto.

COMIT 2017 Reunites Approximately 100 High School Students at Boréal. On March 7, 2017, Collège Boréal, in partnership with the French school boards in Northern and Central Southwestern Ontario, hosted the 2nd edition of COMIT – Challenge optimal des métiers, innovations et technologies, a skills competition for students. The event allows francophone grade 11 and 12 students to show off their skills in one of the following fields: architecture, automotive mechanics, culinary arts, carpentry, hairstyling, electricity, esthetics, industrial design, and welding.

Collège Boréal Receives United Way Community Giving Award. Collège Boréal was honoured to receive the “Community Giving Award” at this year’s United (Way) Achievement Awards sponsored by RBC Dominion Securities. Collège Boréal has been a proud community partner of the Sudbury District United Way since 2009. This year, under the leadership of Ms. Paulette Bonin and Ms. Nancy Raymond, the college succeeded in raising $8,065 for its annual six-week United Way Workplace Campaign.

Collège Boréal Welcomes Motivational Speaker Steven Finn. On March 22, 2017, at its Sudbury campus, Collège Boréal welcomed former National Hockey League (NHL) player Steven Finn as the guest speaker of a motivational conference entitled “Master your thoughts, master your life”. Organized by the College’s alumni association (Association des anciennes et anciens), the evening aimed to reunite Boréal graduates, students, and staff members, as well as community partners and members.
Two Community Partners Recognized at Boréal’s Latest Gastronomical Event. On March 31, 2017 as part of its Bistro Boréal, Collège Boréal’s Timmins campus celebrated an important partnership between Collège Boréal and two local businesses, the Fromagerie Kapuskoise and Mattagami Heights Farm. Under the supervision of Chef Justin Bonney, students enrolled in Boréal’s Culinary Arts program in Timmins regularly organize gourmet events known as “Bistro Boréal”. Open to the public, the bistros allow students to put into practice classroom training and manage a culinary event from start to finish. In addition, thanks to the popularity of the events, two educational trips were funded with part of the proceeds.

APPLIED RESEARCH

To promote innovation and ensure economic growth and productivity, Collège Boréal is undertaking applied research projects in partnership with community businesses, industries, and organizations. These projects are carried out primarily for the development of products, methods, prototypes, industrial designs, and marketing strategies.

Recently Completed Projects

- A project to improve air quality and ventilation systems in partnership with Skater’s Edge, with funding from the Natural Sciences and Engineering Research Council (NSERC).
- Development of a Web app for Northern Ontario hockey players in partnership with Healthy Living and the Northern Ontario Hockey Association (NOHA), with funding from the Industrial Research Assistance Program (IRAP).
- Project on the use of an organic fungicide on potatoes in partnership with Valley Growers, with funding from IRAP.

Ongoing Projects

- Incubation and hatching of whitefish eggs in partnership with Open Water Systems, with funding from NSERC.
- Entrepreneurship in postsecondary institutions, in partnership with Laurentian University, Cambrian College and NORCAT, with funding from the Ontario Centre of Excellence (OCE). It is through this project that The Next Big Innovation is Mine contest is organized by Collège Boréal.
- The effectiveness of biomass ash in reducing soil acidity in partnership with EACOM Timber Corporation, Glencore-Sudbury Integrated Nickel Operations and le Cégep Abitibi-Témiscamingue, with funding from NSERC.

Collège Boréal Signs Mobility Agreements with European Institutions. On July 11, 2016, Collège Boréal signed its two first overseas mobility agreements with the Haute École Provinciale de Hainaut Condorcet (HEPH-Condorcet) in Belgium and the École Pratique de Service Social (EPSS) in France. By signing these agreements, the institutions commit to encouraging their student population to benefit from travelling to another country to learn. Moreover, these agreements will foster academic and sociocultural cooperation, allowing for exchanges of information relevant to the programs and courses they offer. These three-year agreements will enable students in France, Belgium and Canada to increase their knowledge and immerse themselves in new cultural experiences, allowing a greater understanding of the world.

Sustainable Integration of Agropastoral Sector Graduates (2016-2020). Collège Boréal, in partnership with the Fondation Paul Gérin-Lajoie, will help three technical schools in Benin and three professional training institutes in Mali improve the delivery of their agricultural training programs to better equip graduates when it comes to business-related issues.
