## COLLÈGE BORÉAL

**LEARN FRENCH IN 5 WEEKS – MAY 28 TO JUNE 29, 2018**

Learning a new language opens up a whole new world to you.

### WHAT?

Explore is a five-week intensive French-immersion program for people at various skill levels in French. Explore participants are awarded a \$2,200 bursary that covers tuition fees for the course, instructional materials, meals, and accommodations.

Participants must register before February 15, 2018 to be included in the lottery. Explore bursaries are awarded using a randomized, computer-generated draw (based on provincial and territorial allocations and institutional quotas), a process called the lottery. The lottery takes place at the end of March or early April.
